

## Correction to Board of Directors Qualifications from September Newsletter

In the September 2010 newsletter the slate of Directors for the class of 2013 was announced. We also included the requirements for anyone who would like to be nominated to the Board by petition. The qualifications for serving as a director were misstated and we would like to retract and reprint the qualifications.

1. A Director shall be required to either reside in Hoffman Estates or be employed by or own a business located in Hoffman Estates, with the exception of a maximum of three directors, not more than one per class, who do not reside or have a business in Hoffman Estates. In the event a Director no longer meets either of these qualifications or is no longer a Member in good standing, the Director shall resign within thirty (30) days of such change or may be removed from office by a majority vote of the Board at the monthly meeting following said change.
2. Each candidate must be an active Member in good standing; have actively served on one committee; have the recommendation of a board Member and must also agree to accept the responsibility of a directorship. (A list of committees is maintained by the Executive Director and distributed to the Board of Directors annually). This requirement shall also be met by anyone nominated pursuant to Section 4c.

Please contact the Chamber office if you have any questions.
